The theme for this year's 1966-67 Talon is ...

To Gung Fu:
Well - Here's to a merry week-end with all the parties and to a joyful summer without school. Be a good little dog and dont do anything I wouldn't. be sure to name him after me!!

Mrs. Irma Hughes

We Salute You

For 1967, in the opinion of the Calhi Student Body, Mrs. Irma Hughes is one of the most outstanding teachers to grace the Calhi campus.

This year our Dedication was determined through the help of many of the Student Body who purchased **Talon** tickets. As a result of their votes, Mrs. Hughes was selected; probably because of the fact that she is known for her constant efforts to help any and all students that may seek her understanding aid.

Mrs. Hughes has been a teacher at California High School for more than twelve years. Currently, she has been teaching Senior English and Modern Literature although in the past Mrs. Hughes has taught Sophomore English.

While attending Whittier College, she received her BA and MA degrees. This work was preceded by studies at Long Beach City College. Mrs. Hughes attended Woodrow Wilson High School in Long Beach, California.

Though originally a native of Montpelier, Vermont, Mrs. Hughes now resides in Anaheim, California, with her husband and four children.

For your interest and dedication to the students of Calhi, we salute you, Mrs. Irma Hughes.

PRESIDENT

He Set The Pace. . .

. . . with a close-working staff.

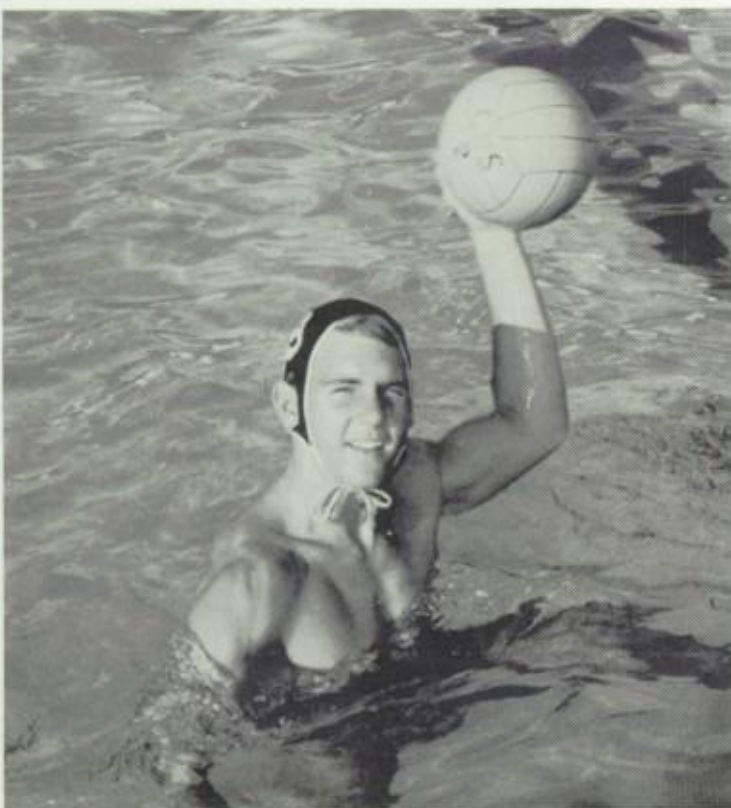

. . . strong backing.

Dear Student Body:

The school year 1966-1967 was a year of reformation for Calhi, a year of rebirth which we hope will start a new era in California High School's history. With the advent of a new principal, we started a new chapter in the history of Calhi. Future chapters will be written by classes to come. Let other classes follow in Pride, Spirit, and Desire in a traditional way which will make Calhi greater in years to come.

Best of Luck,

Athenas Rule The Heights

Linda Smith, President

Dear Student Body:

I would like to take this opportunity to thank each of the Athenas for a wonderful year. It was truly my privilege to serve such a group.

The Athenas are a group of 25 outstanding senior girls, who are chosen for their citizenship and service to the school.

I want to extend my gratitude to our advisor, Mrs. Hyer, and to my officers, Carole Huseby, Marjie Young, and Bonnie McKenna. Also I extend a special thanks to our two foreign exchange students, Marion Schaper and Elena Siggerud.

Sincerely yours,
Linda Smith

Statesmen Can Tackle The Debris

To the Student Body:

As in every year, the Statesmen of CALHI endeavor to assist the Student Body, and particularly the boys on campus, with individual problems.

This year the Statesmen have tried to work closer with the Student Body. Our aim this year was to work as the midpoint between the Administration and the Students.

I speak for each of us when I say it has been a privilege to serve you; and for myself when I say it has been an honor to have been chosen President of the Statesmen.

Sincerely,
Jim Galuhn

New Impressions From Abroad

Dear Student Body:

Spending last summer as a foreign exchange student to Switzerland was one of the most wonderful experiences of my life!

La Chaux-de-Fonds, my home town, is a city half the size of Whittier, located seven thousand feet high in the beautiful Jura Mountains close to France. The Albrici family, although they did not speak English, were very kind.

There were 750 students from all over the United States on the ship over to Europe. We grew to have many friends from different parts of the United States, and you wouldn't even know that they weren't from your own neighborhood. I found the same thing to be true in Switzerland. You only find differences in small details such as shaking hands or taking baths. But basically, people are similar everywhere.

I have many memories to treasure. It is hard to express what I have learned in a summer's time. I have learned more about the United States and have become more aware of problems we face in the world today.

I want to thank you for giving me this wonderful opportunity.

Sincerely yours,

Don't Forget Organizations

havior. Don't let those few immature students spoil it for the majority who are polite.

Short Skirts . . .

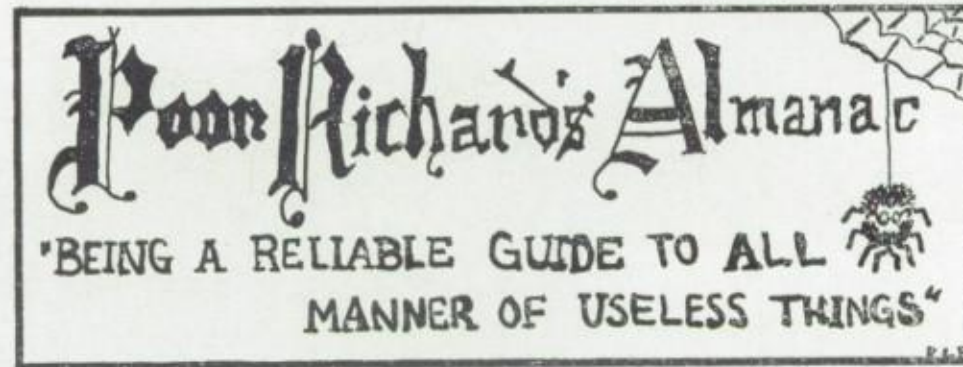

Congratulations, Condors! The Californian would like to compliment the entire student body on their fine appearance during the first weeks of school.

Although, there are a few people who don't or won't use common sense in school clothes, make-up and hair styles, most students use good taste and careful grooming.

One of the problems that has arisen this year with dress standards is the above the knee styling of women's clothes. The faculty and administration feel short skirts are inappropriate for school days and can distract from studies.

Research has proven that proper school dress and good study habits go together. If high standards are kept, Calhi can be better scholastically than ever before.

So get with it Condors dress right, study right and act right and Calhi will continue to be the best high school around.

By DICK STALEY

Greetings and Salutations,

(This column is airily dedicated to World War I flying ace, Mr. B. Martin.)

I consider myself lucky, I have one thing money can't buy — poverty. Several jobs have come my way but none seem to have any future. For instance, I was a ski instructor in Death Valley, after this I got a job running amuck for a mucking company. Then I read a book that changed my life. It was called **A Book That Will Change Your Life**.

I'm content that I've done my job to stamp out poverty, though. When the President declared war on poverty I went out and threw a hand grenade at a beggar.

On This Day In History . . . Heinrich Himmler made a speech promising the German people that the Ruhr Valley industrial complex was safe from aerial attack. While the Germans were fighting in the front, Himmler was practicing in the Ruhr.

Also on this day in history in the year 1572 Peru, Spanish conquistors found Eldorado, city of gold, discovered it was built with U.S. foreign aid.

October 23, Sumer, Assyria 1912, the FBI breaks the Code of Hammurabi.

MARRIAGE is a sentence not a ward — attributed to J. Locke.

FROM THE TRASH BASKET MIND. Did you know that the frigate Constitution had 44 guns (This is in case you want people to think you're a naval expert) . . . "The best way to get to get a rooster clean is to send something like baked apples in it to a neighbor. Neighbors always return pans spotless, and you won't have to use a blow torch on it like you usually do." Phylis Diller . . .

Of 100 people interviewed by the world famous Richard A. Staley survey team only four per cent knew that "Tinkers-to-Evers-to-Chance" was a world double play combination in baseball, another four per cent had heard the expression but didn't know what it meant. One person thought it was a famous football backfield and another thought it was the famous set of horses Paul Revere used on his ride. Only one person knew that "Steinfeldt" was the fourth member of the team.

Well as one bed bug said to the other "See ya' in the Spring."

*Trochilic** *Twirlers*

This Year our flagsters did an extra good job, as they did more than the usual. They marched with the band in all parades and were also seen in half-time shows at the football games. A special routine by flagsters at parades enabled the band to make use of a unique, new idea for their banner. A special feature of the flagsters at one

show was the highlight of their performances. A large portion of their energy and pep was also given to the Drill Team, of which they were an active part. Majorettes also deserve much praise for the variety and enthusiasm imparted to our school this year.

The Birds And The Bee Pepsters

The two best-dressed condors were Joe and Judy. Colorful new outfits added to the atmosphere of the games. Thanks for a good job!

The bouncing spirit emitted by the Bee Pepsters spread throughout the rest of the student body which was certainly an asset to our pep.

November 1966 began the Calhi GAA softball season with all games during the season won except the loss to Sierra, 5 to 3. After the game schedule was concluded, Cal and Sierra were tied for first place. It was then that Cal defeated Sierra 14 to 9 in the play-off for the District Championship. Calhi returned home with the District Trophy. Miss Jackie McCauley was the advisor for the softball team and we are very proud to have her at Calhi.

Congratulations on a very excellent season. Everyone thought that this might be a rebuilding year in basketball at Calhi with only one starter back along with two others from a championship team of a year ago. Everyone, that is, except the team.

Team highlights included the championship of the La Habra Tournament, the first Calhi team to do this. Winning the consolation title in the strong Pioneer Tournament was also a notable achievement. Entering league play with an 11-0 record established Calhi as one of the favorites to win the league title. After losing the first two league games, even in close contests, most people were ready to discount Calhi's chances of coming back to threaten the top spot. Courage and determination played a big part in the long climb back to first place in the league and the winningest team in the area with an 18-5 season record. This ranks among the best Calhi has had and qualified them to enter the CIF playoffs with the best teams in Southern California. Even in losing to a very good Long Beach Millikan team, Calhi did itself proud with a tremendous effort.

Individual efforts by Captain Tom Stout in scoring a season high of 30 points against Whittier; Rick Allen and Dave Walters played consistently well to be named to the All-League Team; the steady improvement of Dennis Mould; the spirited hustle of Steve Harold and Dave Cummings; the sharp shooting of Kent Smith; and other important individual contributions from the balance of the squad played an important part in the team's success.

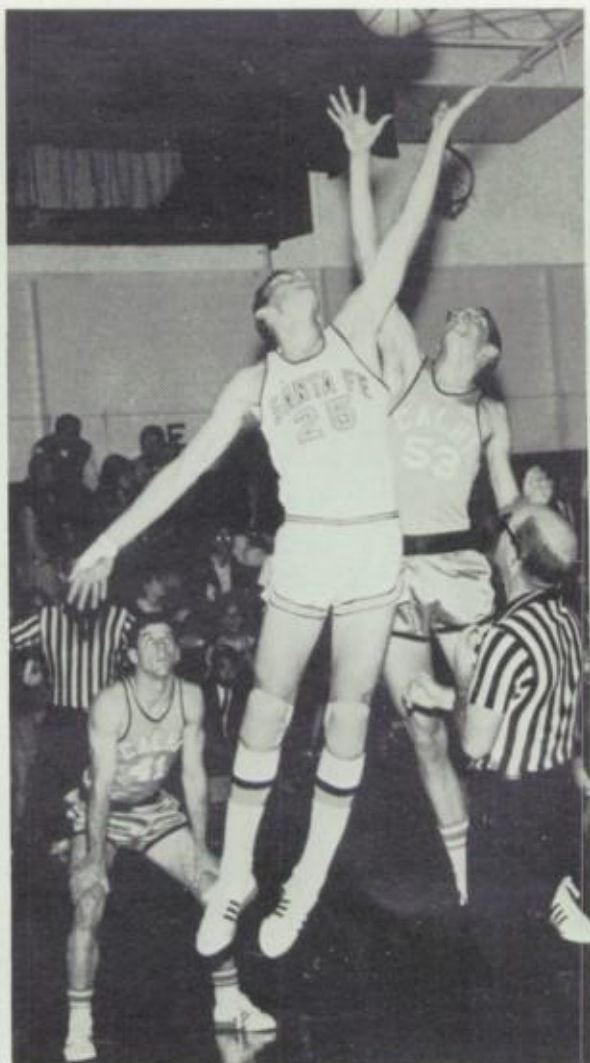

Again, congratulations on a job well done.

Coach Jim Remington

Since the gym teachers aren't here to organize and maintain the girls' locker room, and since the locker room is well organized, it is obvious that someone there is hard at work. And the Calhi girls know who it is. This year a new person has been seen there, and she has been doing a fine job and is now being thanked for a job well done for the past year.

Mr. Angelo

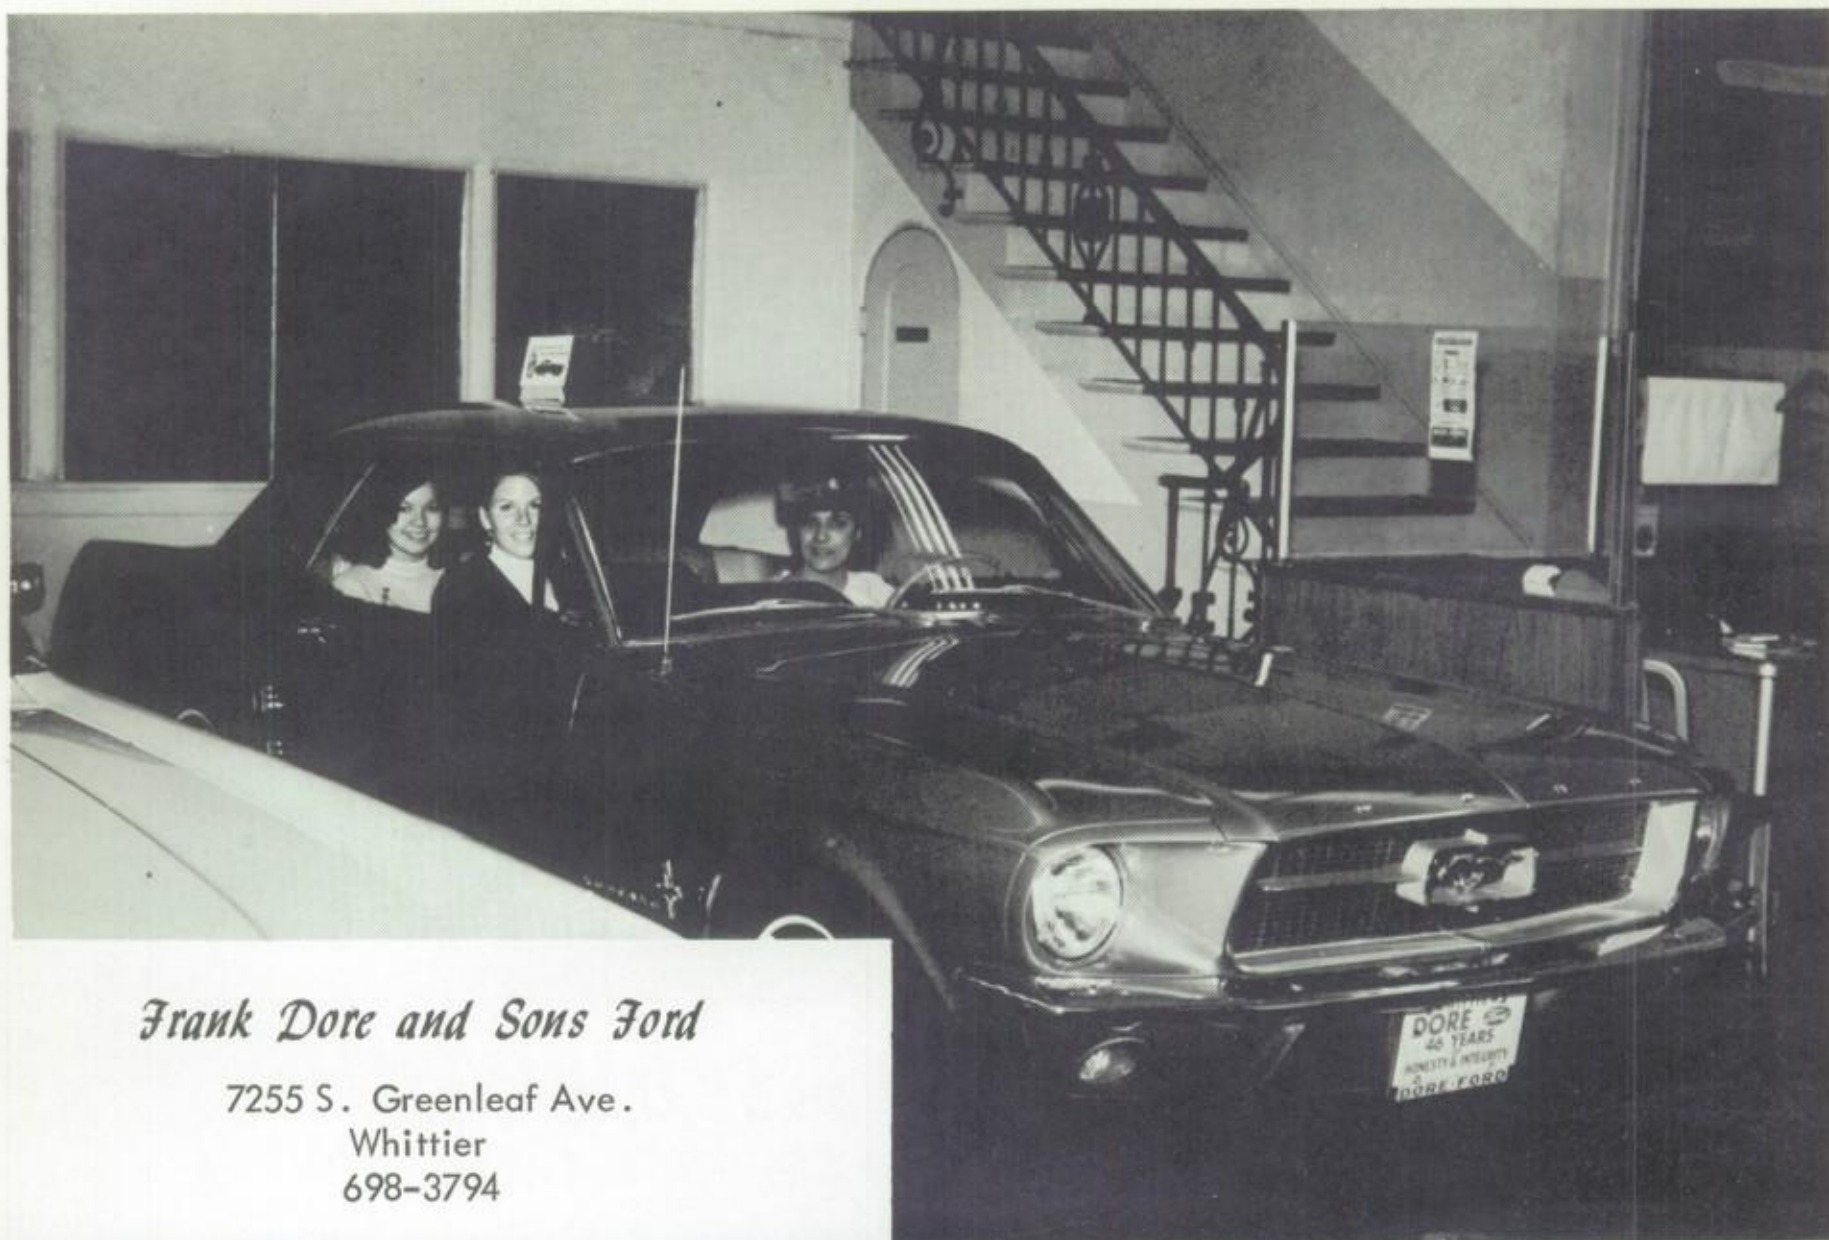

An ever familiar face in and around the boys' gym is that of Mr. Angelo. He has been here at Calhi for as long as any senior here can remember, and is liked by all. What better time or place is there to salute him than now, at the end of the year, in the 1967 TALON.

It has been a great year for us, one of achievement and honor, of inspiration and unique experiences.

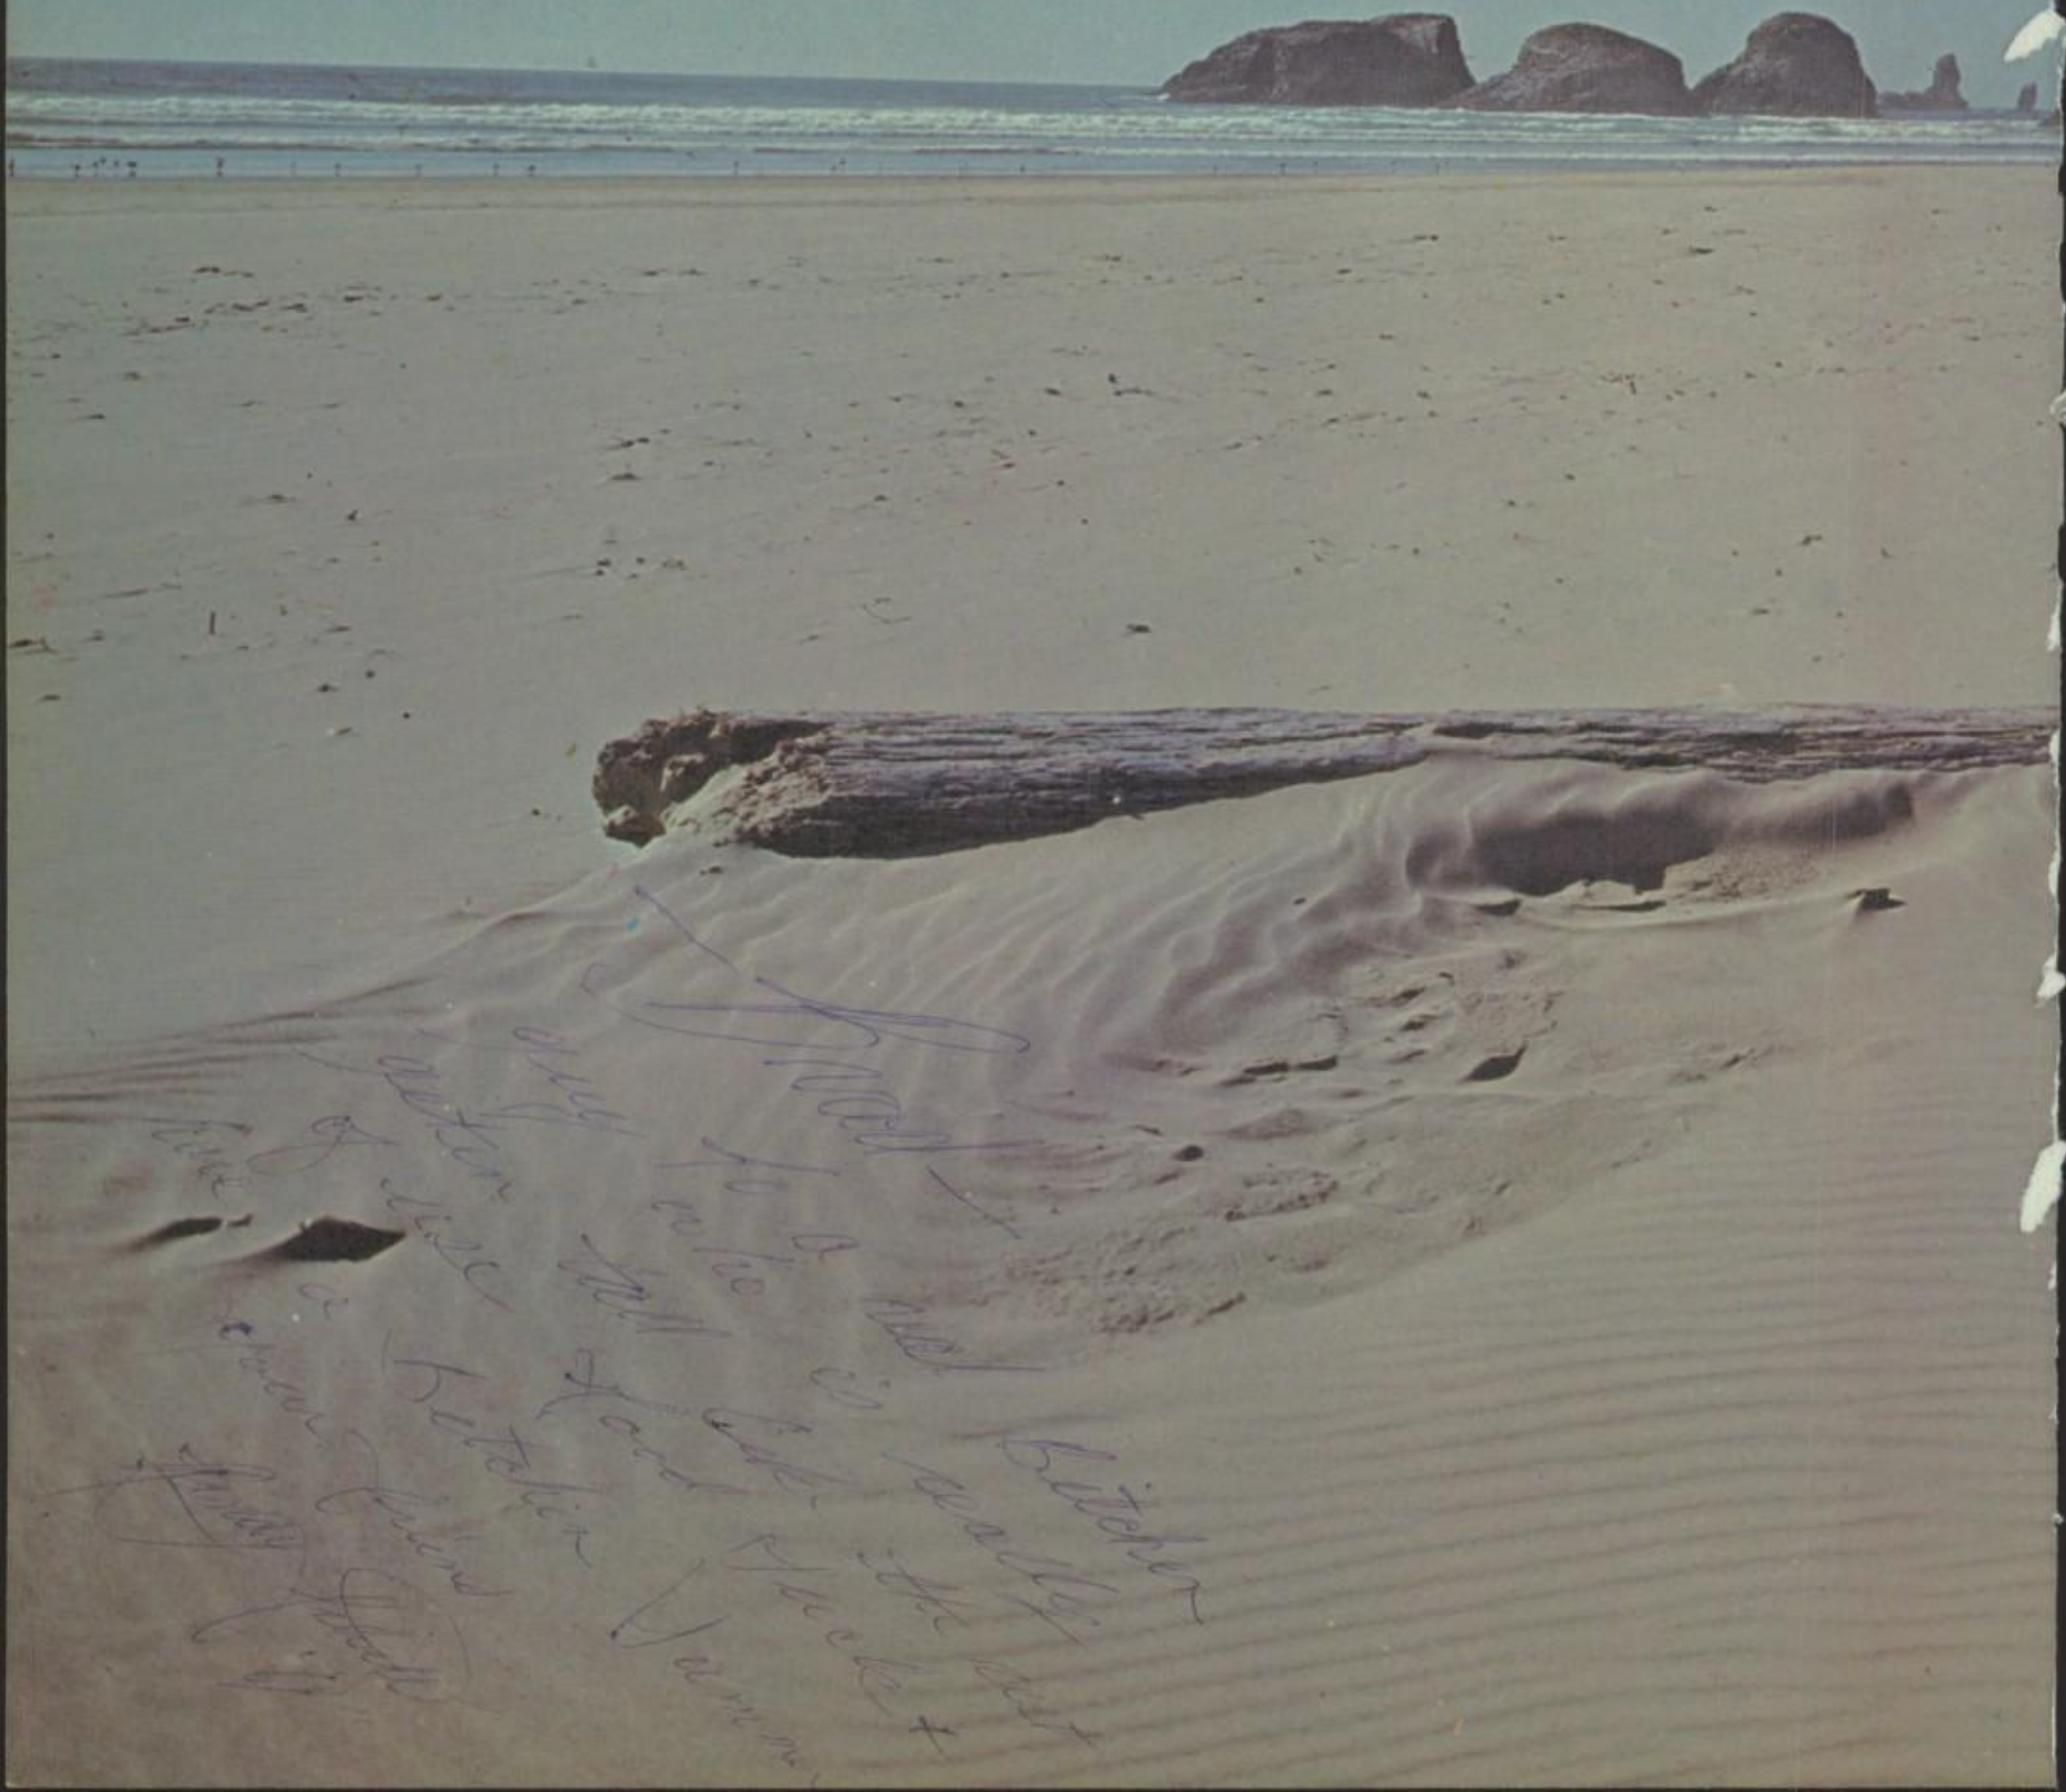

I would like to extend my thanks to a truly great staff for helping me, and for creating one of the finest yearbooks ever at Calhi.

Calhi can be an inspiration in itself if you permit it to be, and I sincerely hope that my steps have left their mark on Calhi and on the 1967 TALON.
